Return Rate	5/11 (45.45%)
<p>- Yes.</p> <p>- The debates I could live without. The paper lengths seemed a bit long at times and the topics were a little hard to write about. I would prefer the class to be earlier, but overall good class and good professor.</p> <p>- Yes</p> <p>- Loved this course! John encouraged us to not only express ourselves, but also justify our thoughts! He was wonderful and forcing us to think critically.</p> <p>- Yes, It was great and I learned so much. I am interested in learning more about this subject.</p>
